Start here:

Guy Harvey is an artist, scientist, diver, angler, conservationist and explorer. Growing up in Jamaica, Guy spent hours fishing and diving along the Island's south coast. He was totally captivated by the creatures of the sea and began drawing pictures of the many different fish he saw and his work found its way to exhibits, stores, galleries, restaurants and at fishing tournaments.

Sveta Esser's paintings magnify all the natural color of the countryside and distill them down to their very essence. The strong colors of her minimalist landscapes capture the contrasts of the natural scenery in Israel and Europe, from Germany to Tuscany. Sharing a studio with her husband, Alex Pauker they critique each other's work, bringing objectivity into play and taking their painting to a new level of completion.
